

Annotation of the paper

1. Title: How far Brussels is from our home towns?
2. Author's name, e-mail address: Baksa, Szabina-Farkas, Ádám– Házi,
Dániel – Őri, Gábor
3. Year of Study and Study Specialisation: 2-3rd year, International Business Administration (BA), EU-trade
4. Consultant: Dr. Kruppa Éva Ph.D, assistant college professor,
Dr. Kovács, András Ph.D senior lecturer
5. Content (max. 25 lines)
 - a) main goal of paper
 - 1) To show the significance or insignificance of EU funds in the development of the towns in relation to their budget, and make cross-comparisons between the towns.
 - 2) To reveal the citizens' opinion on the EU funded projects and the communication of the EU supported investments.
 - b) content of paper

The results of the joint research will be shown in three main parts.

 - 1) Home towns and some characteristics
 - 2) Home towns and EU projects
 - 3) EU projects and public opinion

The method of our joint paper was partly desk research - gathering data on different projects – and we managed a primer – small – survey, developing together a questionnaire to measure if the citizens know EU supported projects and asking them about the project –communication.
 - c) achieved results
 - 1) Strengthening personal identification with our home town
 - 2) Primary experience on EU-funded town development
 - 3) Sharing the conclusions of our survey on town development with the municipalities and help the future plans
6. Key words (3-5 words)

Cohesion policy, Regional policy, development of towns, EU-funds, citizenship
