edit.dohanyos@freemail.hu

3. Year of Study and Study Specialisation: First year, Finance

4. Consultant: Dr. Zoltán Árpási

5. Content (max. 25 lines)

The main goal of my presentation is to show that how important the tourism is. I would like to present what type of tourism works the best in Hungary, especially in the south region. I also want to introduce the history of tourism and its' economic influence. The results I achieve are showing that tourism will always be an important and determinative sector.

6. Key words (3-5 words)

Hungarian habits, economic influence, mass tourism
